### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Stephen Wight on 12/19/07.

2. The application has been amended as follows:

24. (Currently Amended) A computer program product embodied on computer readable media medium comprising executable instructions for performing a method comprising: generating a tree of data elements; invoking a predicate on the tree; recording data elements accessed as the invoked predicate traverses the tree; and summing costs of data elements accesses.

25. (Currently Amended) The computer program product embodied on computer readable media system of claim 24 further comprising saving the tree as a string representation if the tree is accepted by the predicate and summed costs do not exceed a maximum cost.

26. (Currently Amended) The computer program product embodied on computer

readable media system of claim 25 wherein the maximum cost is not exceeded by any path through the tree.

27. (Currently Amended) The computer program product embodied on computer readable media system of claim 24 wherein summed costs of data element accesses exceeds an allowable maximum tree cost sum.

28. (Currently Amended) The computer program product embodied on computer readable media system of claim 19 wherein obtained test configuration information comprises a root data type with plural fields including a left field and a right field, and a field access cost of a same data type is varied based on whether the same data type is accessed by the left or right field.
